Rugs are a great way to add softness to a bedroom. I love Ruggable since they can be machine washed.

6.

9.

Faux greens are a great, low maintenance way to add warmth and color to your space

A soft smoky green gray with a slight blue hint

It's all in the details - like this sweet bathroom hook perfect for towels or robes

A bath mat doesn't have to be boring. These designs from Ruggable are as stylish as they are functional. The top layer can be removed and cleaned in the washing machine!

Replacing the bathroom vanity? Look for quality construction made from solid wood. It will not be easily damaged by water spills and last you for years to come.
