# Benjamin Moore November Rain Bathroom Walls

BENJAMIN MOORE  
NOVEMBER RAIN 2142-60

**Benjamin Moore November Rain 2142-60**  
This soft light gray feels warm and cozy thanks to a subtle green undertone

BENJAMIN MOORE  
SWISS COFFEE OC-45

**Benjamin Moore Swiss Coffee OC-45**  
A soft warm creamy white with a slight green hint perfect for trim, doors, baseboards and cabinets

↖  
A bathroom floor or wall is a great place to splurge on a marble mosaic tile. They can be expensive but you won't need a lot to make a statement

A bath mat doesn't have to be boring. These designs from Ruggable are as stylish as they are functional. The top layer can be removed and cleaned in the washing machine!

Replacing the bathroom vanity? Look for quality construction made from solid wood. It will not be easily damaged by water spills and last you for years to come.

A barely there cool toned light gray.

[BENJAMIN MOORE PURE WHITE OC-64](#)

**Benjamin Moore Pure White OC-64**  
A crisp light gray with a hint of blue

1.

These bathroom mats from Ruggable come with a removable washable top layer. They're easy to keep clean and not bulky so they won't damage your washing machine.

2.

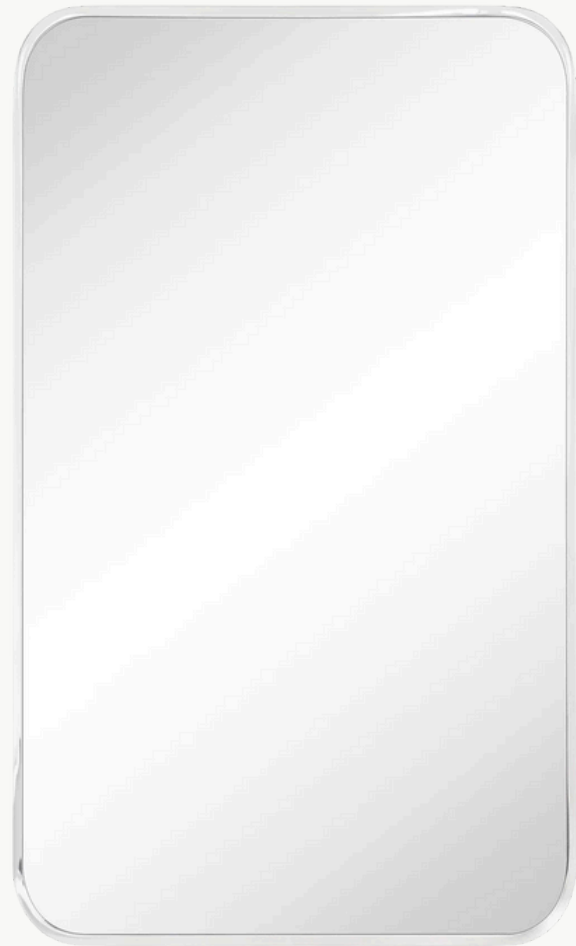

SALE!

A free standing linen cabinet is a great storage option if you don't have a closet in the bathroom. Look for high quality items made from solid wood. They will last longer in a warm humid environment

3.

To make a small space feel bigger look for items with clean lines like this frameless mirror / medicine cabinet

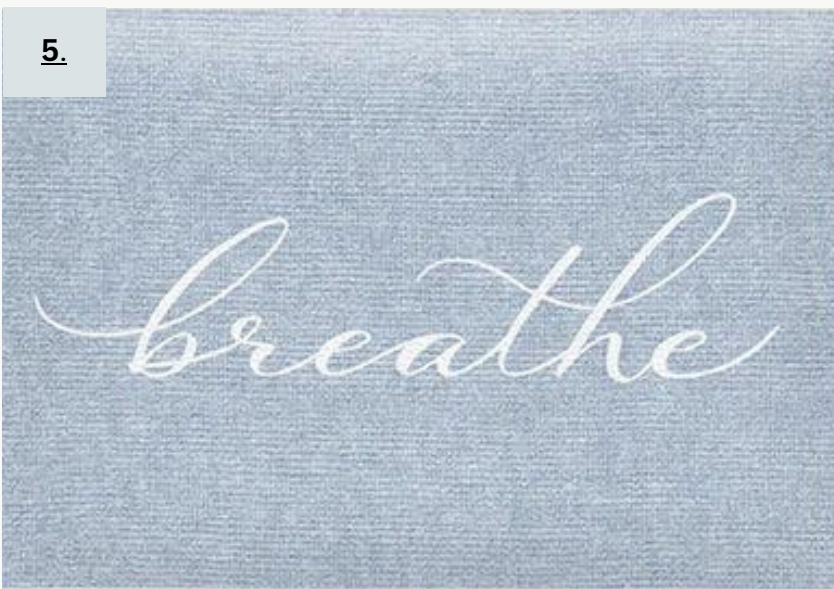

A bathroom vanity in a soft shade like this powdery blue is a great way to add color to a small space.
