

Benjamin Moore Grant Beige HC-83 Living Room

BENJAMIN MOORE
GRANT BEIGE
HC-83

Benjamin Moore Grant Beige HC-83

This warm golden tan has a slight hint of gray for softness and leans ever slightly to the green making it a perfect compliment to woods like mahogany or walnut

1.

2.

Layer your lighting. Use a combination of overhead, floor and table lamps for a cozy space

A secretary is a great way to add a tidy workspace to your room. When not in use, close the cover to minimize mess.

This warm golden tan has a slight hint of gray for softness and leans ever slightly to the green making it a perfect compliment to woods like mahogany or walnut

1.

2.

Layer your lighting. Use a combination of overhead, floor and table lamps for a cozy space

Mix and match! Remember furniture doesn't have to come as a set. Pair painted pieces like this cabinet with a wood table and upholstered chairs

5.

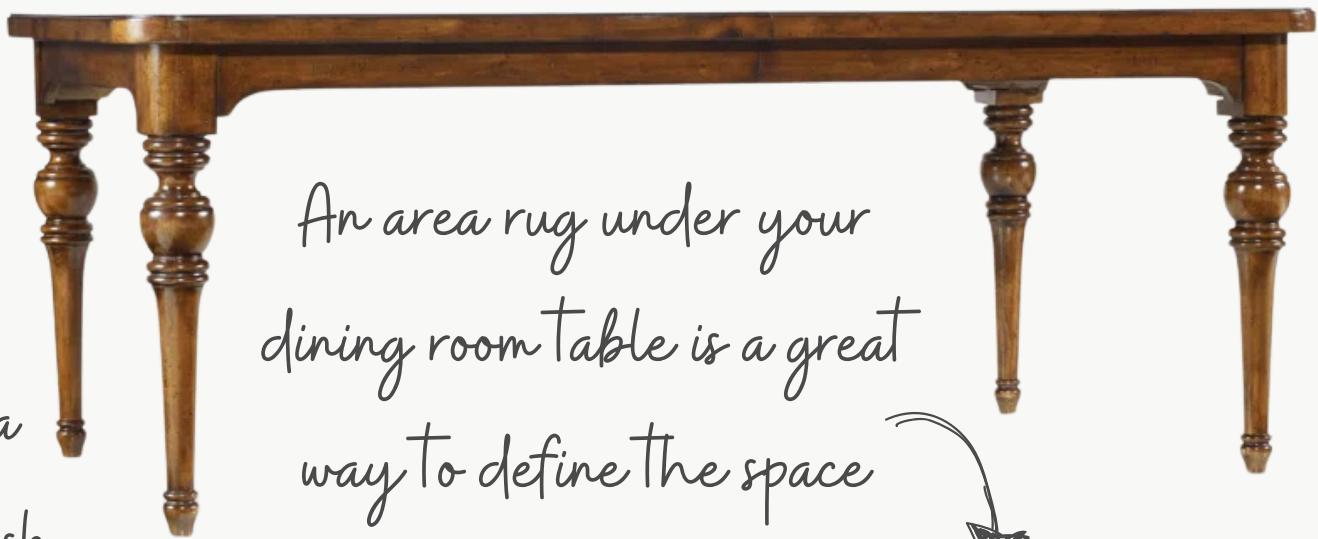

6.

3.

4.

An area rug under your dining room table is a great way to define the space

Swapping out your table cloth is a great way to give your space a fresh look for each season.
