Benjamin Moore Boothbay Gray HC-165

A beautiful crisp shade that's a soft mixture of blue, green and gray reminiscent of sea glass

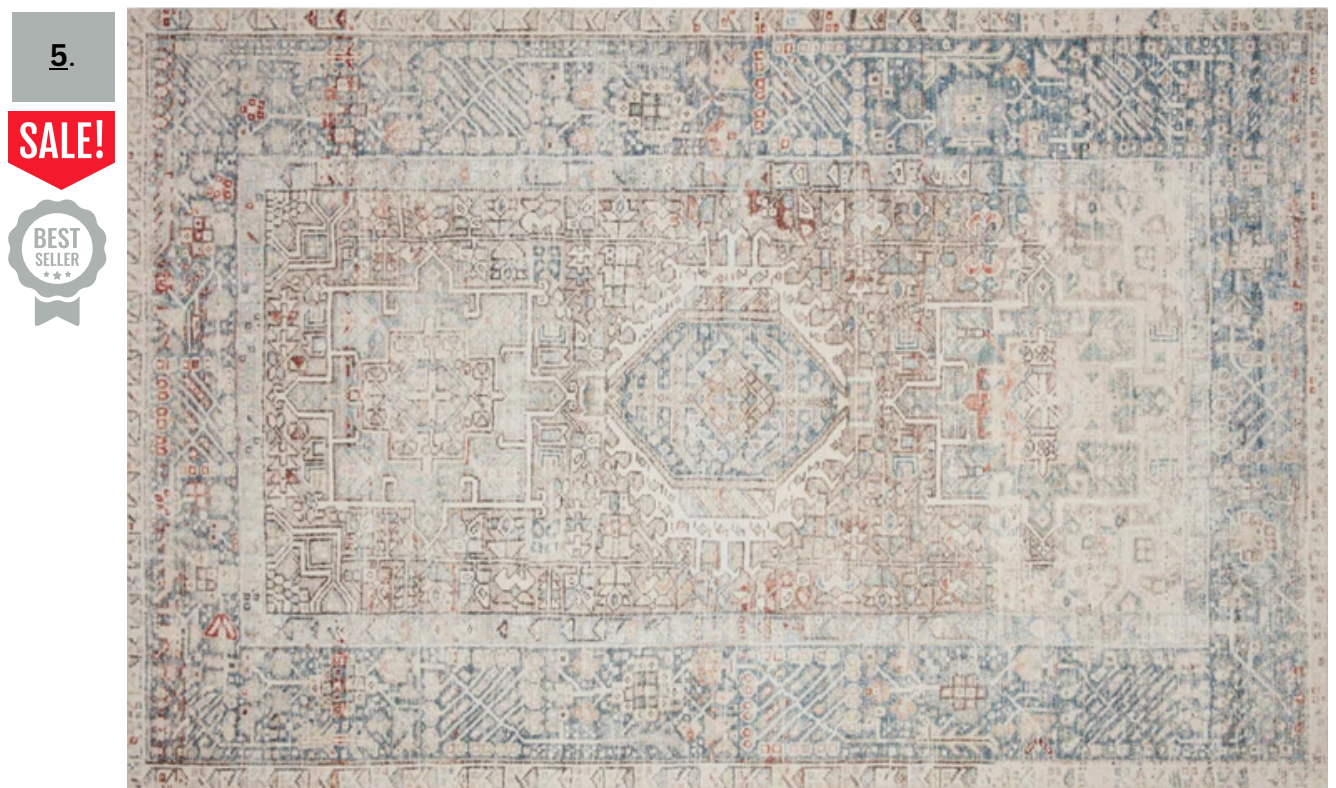

Inspiration

Layer your lighting. Use a mix of ceiling light, floor lamps and table lamps for a cozy space.

Add privacy while softening your space and adding texture with linen window treatments.

A large area rug is a great way to add pattern and color to your room. Make sure to choose one big enough to fit the space!

A sturdy attractive basket is not only decorative but a great place to store extra blankets and pillows.
